

# Next-Generation LED Ledge Light

3 inch Mini Ledge and Rail Light

**newlite**  
Specialty Products, LLC

The **NewLite Next-Generation LED Ledge and Rail Light** is an extremely versatile lighting fixture. Its low profile design makes it perfect for any hardscape lighting project. It is a great way to light retaining walls, seating benches, steps, decks, railings, columns, and more. The simple design makes for an easy integration into an existing landscape.

## **Product Features**

-  Low profile design allows the fixture to hide in the hardscape
-  Removable light bar allows for a wider variety of uses
-  Each fixture comes in both Black and Bronze Finishes
-  Attached lead of 10' 18/2 landscape lighting wire
-  5 year Warranty
